Review Date: Autumn 2017

At the Inspirational Learning Academies Trust we aim to provide an agreement that will be:

Seen to have taken regard of guidance issued by the Secretary of State, which states that all agreements school cover:

The Standard of education
The ethos of the school
Regular and punctual attendance
Discipline and behaviour
Homework

Information that school and parents will give one another.

- A product of a genuine discussion between all parties concerned including the pupil.
- Balanced, agreed and not imposed.
- Introduced as part of a whole school approach to working with parents.
- Clear and meaningful to parents, so that all parties are clear about what is expected of them.
- Explained where the parent does not understand English, or has difficulties with reading or other special needs.
- Workable, not over-detailed and allowing for different family background and domestic circumstances.
- Reviewed regularly by the Trustees, any amendments must be made in consultation with registered parents.

The Trustees will take reasonable steps to get the agreement signed by registered parents, unless special circumstances make this inappropriate. The pupil's commitment is very important to the success of the Home-School Agreement, and the Trustees ask that pupils sign along with their parents.
